

#1 *For the Second Consecutive Year, Ingersoll Rand is Significantly Preferred as the Overall Best Brand of Air Compressors!*

2009 Frost & Sullivan's U.S. Automotive Technicians' Choice Award for Overall Best Brand of Air Compressors

On the basis of Frost & Sullivan's independent research, 2009 U.S. Auto Technicians' Choice: Evaluation of Automotive Tools, Ingersoll Rand emerged as the overwhelming leader in the Air Compressor category surveyed among U.S. Automotive Technicians. Thus, Ingersoll Rand is recognized as the "Overall Best Brand of Air Compressors in the United States" among Ingersoll Rand's top competitors.

Overwhelmingly Ingersoll Rand is the Leader in the Air Compressor Market!

38 percent of U.S. Automotive Technicians rank Ingersoll Rand as one of the top three Overall Best Brands of Air Compressors, significantly above the nearest competitor (17%). Most impressive is that one quarter (25%) of U.S. Automotive Technicians rank Ingersoll Rand number one! Thus, it is no surprise that Ingersoll Rand is recognized as the "Overall Best Brand of Air Compressors" given their strong brand reputation and loyal customers.

*U.S. Automotive
Technicians prefer
Ingersoll Rand
Compressors as the
overall best brand by
a margin of 2 to 1*
